Message from the Board

By Ashley Bryant

This season is a time for giving and celebration. It is a time for reaching out to friends and family. We observe many family traditions this time of year and wish each and everyone in Encino Park a Merry Christmas and a Happy Holiday season. Please enjoy family and friends and connect with neighbors, distant family and friends.

San Antonio has many wonderful and inspiring attractions this time of year. Be safe in traveling to these sites with your family. Take time to relax and cherish this precious time of year. Take a stroll downtown along the Riverwalk and enjoy the amazing lights and array of restaurants. Travel up north up 281 and visit the small town and see the lighting at the local court houses. Visit one of the theme parks and see them in the joys of the holiday season

There are so many ways to give this season. Reach out to neighbors that you haven't spoken to in years. Get to know one another and invite them over for dinner. Offer to help with simple tasks. Invite neighbors over for dinner or movie night.

Another way to give back to our community is to get involved with our various committees such as Pool, Park, Crime and Safety, EPIC, and Women's Club. You could even start your own community organization/club and meet at our community center.

There are so many ways to give a gift. This season isn't about spending the most money. It is about giving from the heart and reaching out to others. Let's all make this a true blessing for everyone in our community. Take time for one another and get involved. Let us know what we as a board can do to better your lives here in Encino Park. We are always looking for input from our residents and strive to do what is best for our community each and every day. Please join us at our monthly community meeting at our community center and give us your input on what we can do to continue making Encino Park a jewel of San Antonio.

Wishing each of you a Merry Christmas and Happy Holidays.

Past Events: Fall Fair and Chili Cook-off

The Encino Park Fall Fair and Chili Cook-off was an EPIC event! We want to thank everyone who helped make it such a fun and successful event.

First and foremost, a huge thank you to the over 250 attendees who came out for all the fun and also donated 4 full barrels of food and \$192 for the San Antonio Food Bank!

DECEMBER 2023

Our December, the absolute favorite meeting, will be on **Monday, December 11 @ 6:30 pm.** It will be our annual **Holiday Dinner and Auction.** This year it will be hosted by **Sunny Brown** at her home here in Encino Park, 2311 Encino Cliff.. The Holiday Party is such a favorite because we get to dress up a bit, dine on great recipes brought by all who come, sip a little wine (or not), and raise money for a Women's/Children Charity that is selected that evening by all in attendance. We want to invite all women of Encino Park as we celebrate the Holidays! We look forward to a great gathering full of Holiday Spirit!

Out to Lunch

Happy Holidays, everyone!

The Out-to-Lunch group will take this month off since there are so many other Christmas and holiday gatherings and festivities going on. We will resume in January, so watch for this article in the January newsletter to see where and when we will be going.

In October, seven of us dined at Tomatillo's. We had a wonderful time, with everyone enjoying the food they ordered. We had lively conversations, and our service was excellent. Thank you to Laura Zuniga for selecting that restaurant and making the arrangements.

OVER 50 CLUB

Submitted by Dalia Benzick

At our November meeting, with a theme of "Thanks for the Memories", we honored our former members that started this group and are not able to be with us. They have our deepest respect and gratitude.

For December, we are planning a festive holiday potluck lunch on **December 5th** and an informal "just games and fun" on the **19th**. Our members truly appreciate the joyful and noisy fellowship we share.

And we love getting out of the house! Over 50 extends its warm wishes for peace and joy to our Encino Park neighbors and friends. For you and your loved ones, may Happiness bloom where seeds of Love and Joy are planted.

CALLING ALL WRITERS!

Do you ever wonder where some of the articles come from in our newsletter? Most come from the various committee leaders or from the HOA Board Members. But others are from a stockpile of fillers from our vault-crosswords, recipes, etc. Residents look forward to the newsletter every month and you, as a resident, are more than welcome to add an article. Maybe you have some insight on landscaping, or you know of a great restaurant in the area you recommend. Or maybe you just have a new recipe you found or a feel-good story you want to share. It's fun to have writings published. Join the fun!

Articles are due to the office (contact@encinoparkhoa.com) by the 5th of every month and will be published the following month. For example, everything you're reading in this newsletter was written and turned in by November 5th.

It Takes A Village

For those of you who have Facebook and are linked to the MASO (Moms Around Stone Oak) or the Forest Village Facebook pages, you probably had the chance to follow the saga of Yellow Dog, the lost lab puppy. Anna Panter happened upon Yellow Dog on October 21. Another

neighbor found him on Encino Brook and Encino Royale and Anna stopped to check in on them. Being the kind soul that she is, she took Yellow Dog to her house, thinking he was just lost. But no one in the neighborhood responded to her "Lost Dog" post and she reached out to the community for help because she had events that evening. I took Yellow Dog for the night and so began our friendship of swapping and taking care of him.

The events that happened after that were amazing. Our neighborhood truly showed their compassion, both for the dog and for our neighbors. For almost four weeks, Yellow Dog had sleepovers, met so many different kinds of dogs and people, he had playdates, he went on car rides, he was taken on walks and he became an internet sensation. We had his photos plastered all over social media from Texas to Washington DC and yet, even though we knew he would have been the perfect dog for someone, no one came forward. One day Anna was sick and I was at work so we sent out a plea for help and another friend took him in for the afternoon so Anna could rest. Then another friend, in a different neighborhood, offered respite for the two of us (both of our dogs could only handle a few days at a time of his insane lab puppy energy) and kept him through Halloween and the cold spell.

With the shelters full and ACS refusing to take larger than 20 pound animals (or they would be euthanized in three days), we continued to post and connect with rescues around the state. That led to connections with Washington DC rescues who would actually pay for his transport to another state, if a forever home was found. The more we learned about the poor animals left behind, dumped, forgotten, we stood even more firm that Yellow Dog would NOT be one of those. He had too much love to give.

As my husband started to weaken and my kids (my daughter especially fell in love with this giant puppy (we think he'll be about 110 pounds when he's fully grown), we received a call from someone who'd seen our posts through a friend and she had someone very interested. The next day, a beautiful family of four (an 11 year old boy and a 4 year old girl) came to the house and Yellow Dog chose his forever family. He sweetly said goodbye to us and trotted into their car, following the little boy, and stretched out across the two kids... relieved and joyful.

I will not lie and tell you we didn't cry. We loved that dog, as did everyone who came across him. But now, he is Atlas (the god of endurance and strength) and will be able to grow up and be loved by his own family.

Thank you, Encino Park, and all of our surrounding neighbors. You truly are a blessing and gave Anna and me a whole new outlook on how amazing people can be.

WE'RE GLAD YOU ASKED!

Question: I noticed the diving boards at the pool have been removed. Did the board decide to get rid of them?

Answer: Thank you for asking; the quick answer is no. What you have seen is Keith Zars Pools has been contracted by the HOA Board of Directors to remove the old diving boards (over 20 years old) and put in brand new diving boards that will last for at least a few decades!

One of the reasons the diving boards had to be completely removed was because there were some electrical connections directly below the taller of the two boards, and that is not safe or up to current building codes.

We as a board know that the pool is one of the main amenities in our community and will continue to treat it as such.

*Happy Holidays,
The Encino Park HOA Board of Directors*

Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

PLACING THE TREE

- Before placing the tree in the stand, cut 2" from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

LIGHTING THE TREE

- Use lights that have the label of a recognized testing laboratory. Some lights are only for indoor or outdoor use.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.
